

Overnight Staff

ROOTs Transition, located in Park City, Utah, serves adolescent females 14-18 years old who have attachment, relational and/or developmental trauma utilizing a hybrid model of outdoor reflection and residential integration. ROOTs has current openings for full time and part time overnight staff positions.

As overnight staff, you will supervise the clients and promote an emotionally and physically safe environment. Overnight staff will be responsible for overseeing the nightly routine of the clients as they go to bed. Overnight staff will also perform light housework and contribute to the needs of the community.

ROOTs Transition is also seeking applicants for an overnight staff lead. As a lead, you will supervise other overnight staff and manage their respective schedules. The overnight staff lead will communicate necessary client information to the next shift and consult routinely with the program director.

This job is for you if:

- You can work overnight shifts and stay awake
- You are a self-starter
- You can assist in basic chores and housework
- You can be actively involved in the supervision and safety of our clients
- You can demonstrate compassion during challenging interactions with clients
- You can exercise good judgement and personal boundaries
- You can be a positive role model
- You are interested in learning more about a trauma informed approach

Qualifications and Skills:

- Must be at least 20 years old
- Experience working in residential settings (preferred, but not required)
- Willing to learn and apply new skills
- Customer service oriented
- Strong communication skills
- Strong organizational skills
- Willing to work weekends and holidays
- Strong work ethic
- Able to pass a background check and drug screening

Wage:

- Starting pay \$18/hr

Job Type:

- Full and part-time position available
- 10:30 pm - 6:30 am (8 hrs)
- Some weekend shifts required

Benefits (for full time employees):

- Health insurance
- Dental insurance
- Vision insurance
- Paid time off
- Referral bonus
